## West Haven & Orange Women in Business

*A networking group of the West Haven and Orange Chambers*

January 2019

Dear West Haven and/or Orange Chamber of Commerce Member:

The West Haven and Orange Chambers of Commerce will be holding our **2019 Women's Leadership Conference on Tuesday, April 2<sup>nd</sup>**. The annual conference is to be held at the Cielo Banquet Facility at the West Haven Italian American Club (located at 85 Chase Lane, West Haven, CT) and is conducted by the combined chamber's Women in Business networking group. All proceeds from the conference benefit the Women in Business Scholarship program for female college/trade school-bound, high school seniors. Only the adults are charged admission, students attend at no cost.

**Please consider becoming a sponsor, purchasing an ad or sponsoring a student to help support our scholarship program.**

Through a lively dialogue with 3 successful women panelists, we influence and motivate our audience, particularly the young women. Audience members include local business women, high school and college students. It is our hope that everyone leaves the conference excited about their futures with a renewed commitment to reach their goals through hard work and perseverance.

Thank you for considering our request.

Sincerely,

**Alan Olenick**
